Workshop ke baad - follow-up email aur WhatsApp message

AIIMS Patna Sarthi | APIC Regulatory Readiness Workshop, 24 October 2026

Kab aur kaise bhejein

Workshop ke 24 se 48 ghante ke andar bhejein - yaad reh jaate hain.
Jab aap kisi se milein, usi din us vyakti ka naam aur kaam note kar lein.
Har message me ek line me yaad dilayein ki aap kahan mile the (jaise 'regulatory shivir me aap se mila tha').
Email ke saath ye 1-page summary aur QR poster attach karein.

1. Email - APIC / incubation team ko

Subject: AIIMS Patna Sarthi - workshop ke baad, ek OPD pilot ka sujhav

Namaste [Naam] ji,

Kal ke Regulatory Readiness workshop ke liye dhanyavaad. Aapke session se bahut kuch samajh aaya, khaas taur par SaMD classification aur clinical validation ke baare me.

Main **AIIMS Patna Sarthi** par kaam kar raha hoon - ek hospital navigation aur OPD saathi app jo mareez ko gate se lekar doctor, janch, report aur agli visit tak - uski apni bhasha me (Hindi, Bhojpuri, Maithili) - raasta dikhaata hai, bina internet bhi. Abhi ye ek working prototype hai (136 screens).

Workshop me aapne kaha tha ki ek OPD me chhota pilot shuru kiya ja sakta hai. Kya main aap se 15 minute baat kar sakta hoon ye samajhne ke liye ki pilot ke liye aage kya process hai, aur incubation ke liye mujhe kya taiyari karni chahiye?

Aapke samay ke liye dhanyavaad.

Sadar,
Abhinav Kumar

2. Email - regulator / CDSCO se mile kisi vyakti ko

Subject: SaMD classification - AIIMS Patna Sarthi app par ek chhota sawal

Namaste [Naam] ji,

Workshop ke regulatory shivir me aap se milna upyogi raha. Aapke bataye hisaab se, main apne app ke baare me teen sawal poochhna chahta hoon:

1. Mera app sirf navigation, token/queue aur report dikhaata hai - koi nidan ya ilaaj nahi karta. Kya ye "Medical Device Software / SaMD" ki paribhasha me aata hai?
2. Agar aata hai, to kaunsi class (A/B/C/D) aur kaun sa licence chahiye?
3. Mareez ka data (ABHA/OTP) ke liye DPDP Act 2023 ke hisaab se kya zaroori hai?

Main apne app ka ek short demo bhej sakta hoon. Aapke margdarshan ke liye dhanyavaad.

Sadar,

Abhinav Kumar | sanjaykumarpathak1377@gmail.com

3. WhatsApp message - workshop me mile kisi vyakti ko (chhota)

Namaste [Naam] ji, main Abhinav - kal APIC workshop ke regulatory shivir me aapse mila tha. ■
Mera project **AIIMS Patna Sarthi** hai - hospital navigation aur OPD saathi app (Hindi/Bhojpuri/Maithili, offline bhi).
Aapne SaMD classification par jo bataya, uske liye dhanyavaad. Kya main aapko 30 second ka demo bhej sakta hoon?
Dhanyavaad!

4. WhatsApp message - APIC team ko (chhota)

Namaste Team APIC, 24 Oct workshop ke liye dhanyavaad. Main Abhinav Kumar - AIIMS Patna Sarthi (hospital navigation app) ka prototype lekar aaya tha.
Main ek OPD me pilot shuru karna chahta hoon. Kripya bataayein aage kya process hai - main apni 1-page summary aur demo bhej sakta hoon. Dhanyavaad!

5. Chhoti yaad-dilane wali baatein

- Email me apna naam, project ka naam aur ek line ka demo link zaroor rakhein.
- Jawab na aaye to 4-5 din baad ek chhota reminder bhejein - dobara poochhna theek hai.
- Har follow-up me ek hi saaf maang rakhein (pilot ki baat, ya CDSCO ka jawab).
- Unka naam aur unka bataya hua kaam yaad rakhein - isse message personal lagta hai.
